

WONDERWALL

*Today is gonna be the day
That they're gonna throw it back to you*

By now you should've somehow
Realized what you gotta do

**I don't believe that anybody
Feels the way I do about you now**

**And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would like to say to you
but I don't know how**

*Backbeat the word was on the street
That the fire in your heart is out*

I'm sure you've heard it all before
But you never really had a doubt

**I don't believe that anybody feels
the way I do about you now**

**And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would like to say to you
but I don't know how, I don't know how**

Because maybe Maybe
You're gonna be the one that saves me Saves me
And after all And after all
You're my wonderwall

*Today was gonna be the day
But they'll never throw it back to you*

By now you should've somehow
Realized what you're not to do

**I don't believe that anybody feels
the way I do about you now**
